

CREATOR TYPES Cheat Sheet

		Creative Power	Natural Power	Ecosystem Place	Disaster Power + Landscape Reset	Energy Pattern	Balance Point
CATALYSTS Risk with Spontaneity	 LAVA Director	Revolution	Lava Flow	Restructure the landscape	ERUPTION : Creates new topography with fertile seeds for growth from an unseen world below the surface	Catalysing	Use the friction to motivate others and channel it into revolutionary projects
	 FIRE Stabilizer	Playfulness	Fire Sparks + Flames	Burn the debris	WILDFIRE : Clearing 'dead wood', cracks open dormant seeds, fertilises soil + expedites growth	Centering	Ask for feedback on alternative perspectives and adjust your approach
	 WHIRLWIND Integrator	Triumph	Whirlwind Funnel	Whip up a storm	HURRICANE : Disrupt organisation + routine, rearrange objects + create new direction	Uplifting	Create regular checkpoints with others to take stock and temper progress/speed
OPTIMISTS Expand with Aspirations	 SNOW Director	Passion	Snowflakes Fall	Connect the tribe	BLIZZARD : Expose true passion + equalise terrain for a fresh perspective	Expanding	Pause regularly to create balance, expand your view and then keep moving
	 LIGHTNING Stabilizer	Innovation	Lightning Strike	Electrify with precision	STORM : Expose theories that are not 'earthed' + create new synapses of thought	Uplifting	Create regular checkpoints with others to take stock and temper progress/speed
	 SUN Integrator	Exploration	Sun Rays	Expand new horizons	HEATWAVE : Pause growth + bake ideas to expose those that are rock hard	Centering	Ask for feedback on alternative perspectives and adjust your approach
HUMANISTS Bond with Connection	 LAKE Director	Belonging	Lake Ripple	Gather the tribe	FLOOD : Clarify the centre of truth + invite others to join in resonance	Centering	Ask for feedback on alternative perspectives and adjust your approach
	 OCEAN Stabilizer	Insight	Ocean Current	Deepen collective resources	TSUNAMI : Bring deep change to the surface, expose debris + new treasures	Catalysing	Use the friction to motivate others and channel it into revolutionary projects
	 TREE Integrator	Wisdom	Tree Frame	Provide a supportive framework	DROUGHT : Prune responsibilities + conserve resources for the next stage of growth	Expanding	Pause regularly to create balance, expand your view and then keep moving
REALISTS Stabilize with Results	 MOUNTAIN Director	Authority	Mountain Peak	Climb new peaks	LANDSLIDE : Scaling back progress to a realistic pace with support	Expanding	Pause regularly to create balance, expand your view and then keep moving
	 SOIL Stabilizer	Safety	Solid Ground	Create fertile ground	SINK HOLE : Reveal lack of planning + growth, define resources + steps required	Anchoring	Stay engaged in projects with a plan for momentum
	 RIVER Integrator	Simplicity	River Stream	Streamline new pathways	ICE : Reveal repetition + lack of deep change to temper pace of productivity	Uplifting	Create regular checkpoints with others to take stock and temper progress/speed
OPTIMIST (Morph)	 SKY	Meta-morphosis	Clouds + Rainbows	Reflect the tribe	GREY SKY : Cast a shadow over the landscape to reveal hidden beauty + dreams	Expanding	Pause regularly to create balance, expand your view and then keep moving
